HEC Liège webpage for exchange students

The screenshot shows the HEC Liège website for exchange students. The browser address bar displays the URL: www.hec.ulg.ac.be/en/international/incoming-students/exchange-students. The page features the HEC Liège logo and several accreditation logos: EQUIS ACCREDITED, BSIS IMPACT, CONFERENCE DES GRANDES ECOLES, and AACSB ACCREDITED. A navigation menu includes links for BACHELORS, MASTERS, MBA, PHD, PART-TIME STUDY, EXECUTIVE EDUCATION, FACULTY & RESEARCH, ENTERPRISES, ALUMNI, INTERNATIONAL (highlighted), and HEC LIÈGE. The main header image shows the word 'London' in gold cursive on a textured surface, with 'EXCHANGE STUDENTS' overlaid in white. Below the header, a breadcrumb trail reads: International / Incoming students / Exchange Students. The main content area contains the following text:

HEC Liège is the Management School of the University of Liège, a public University in the French-speaking part of Belgium. It has been awarded the **EQUIS accreditation** since December 2016 and the **AACSB accreditation** since August 2018.

Every year, HEC Liège is proud to host approximately **150 exchange students** coming from a diverse and qualitative network of **partner universities**. These students play a **significant role in the internationalization of the school**. In return, the exchange students are exposed to a new academic environment and new teaching methods, which in turn **develop their own critical thinking and learning experience**.

The **International Relations Office** provides **information and guidance** during the whole process, before, during and after the mobility. Interested? Check out the following information:
