

International Mobility Fair

Mediterranean School of Business - Tunisia

Who are we?

Tunisia

- Tunisia is a small beautiful Mediterranean country located in North Africa known for its beautiful beaches and nice weather with a population of 11 million that speaks Arabic as first language and French as a second language.
- Tunisia has one of the most beautiful sceneries of the world and has a rich history starting with Berbers, then with Phoenicians who built Carthage empire that was later destroyed by Roman Empire. Then Muslims conquered north Africa and it became part of the Ottoman Empire.

Tunisia and Policy

- Tunisia is well integrated in international community since it is part of united nations, La Francophonie, Arab League....
- It was the first Arab country to start a revolution to end dectatory and led the arab spring as an exemple to follow by the rest of arab countries

Education in Tunisia

- Education is number one priority of Tunisian Government and 20% of government budget is allocated to Education.
